

**CONSTITUTIONAL COURT
OF THE REPUBLIC OF TÜRKİYE**
STATISTICS ON INDIVIDUAL APPLICATION
(23/9/2012 - 31/12/2024)

Number of received and adjudicated individual applications by years

Including the applications regarding the right to a trial within a reasonable time.

Received applications

650,453

There may be a slight decrease or increase, compared to the previous statistics, in the number of adjudicated applications due to the files closed in case of an inadmissibility decision on administrative grounds and reopened upon the acceptance of the challenge to the -inadmissibility decision, or the joinder or severance of the pending cases.

Adjudicated applications

551,913

The adjudication ratio of the applications lodged in 2016, excluding those lodged within the scope of the state of emergency, is 85%.

Pending applications

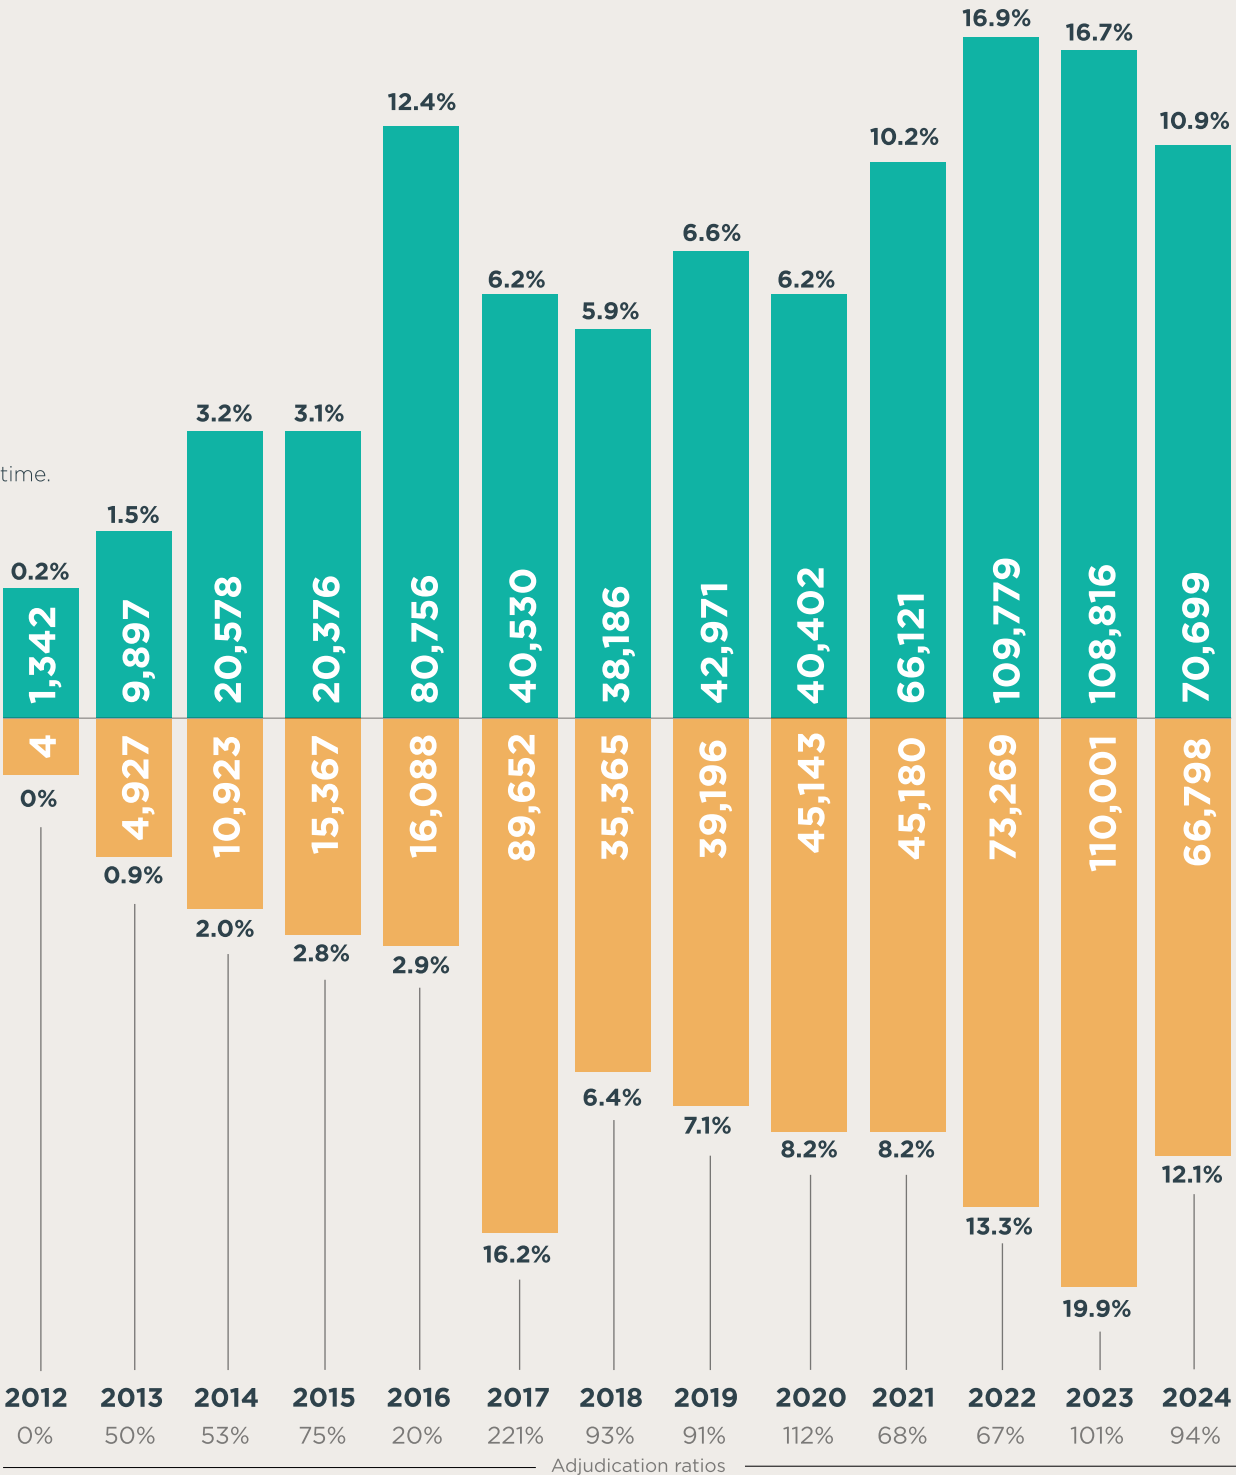

98,540

Adjudication ratio

84.9%

The adjudication ratio in 2017, excluding 72,134 cases found inadmissible due to non-exhaustion of legal remedies after the establishment of the Inquiry Commission on the State of Emergency Measures (OHAL Commission), is 90%.

Received applications **Adjudicated applications**

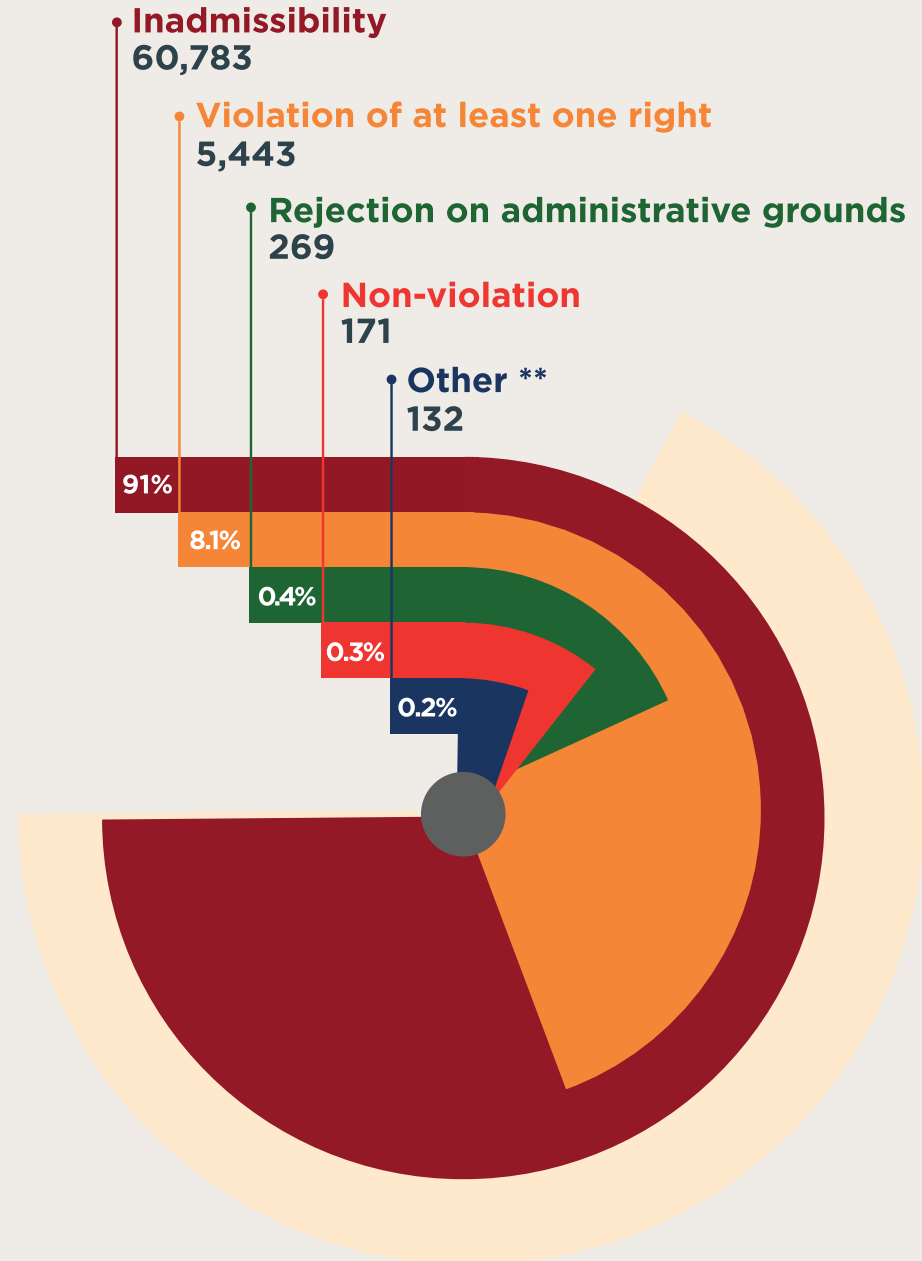

Received and adjudicated applications in 2024 by judgment type

- Received applications
70,699
- Adjudicated applications
66,798
- Judgments involving a violation
5,443
- Adjudication ratio
94%

* Number of cases found admissible but involving no violation is 122; and number of joinder of applications is 49.

** Strike-out, closure of the cases, and dismissal decisions.

Number of received and adjudicated individual applications regarding right to a trial within a reasonable time (by years)

Received applications

150,159

Adjudicated applications

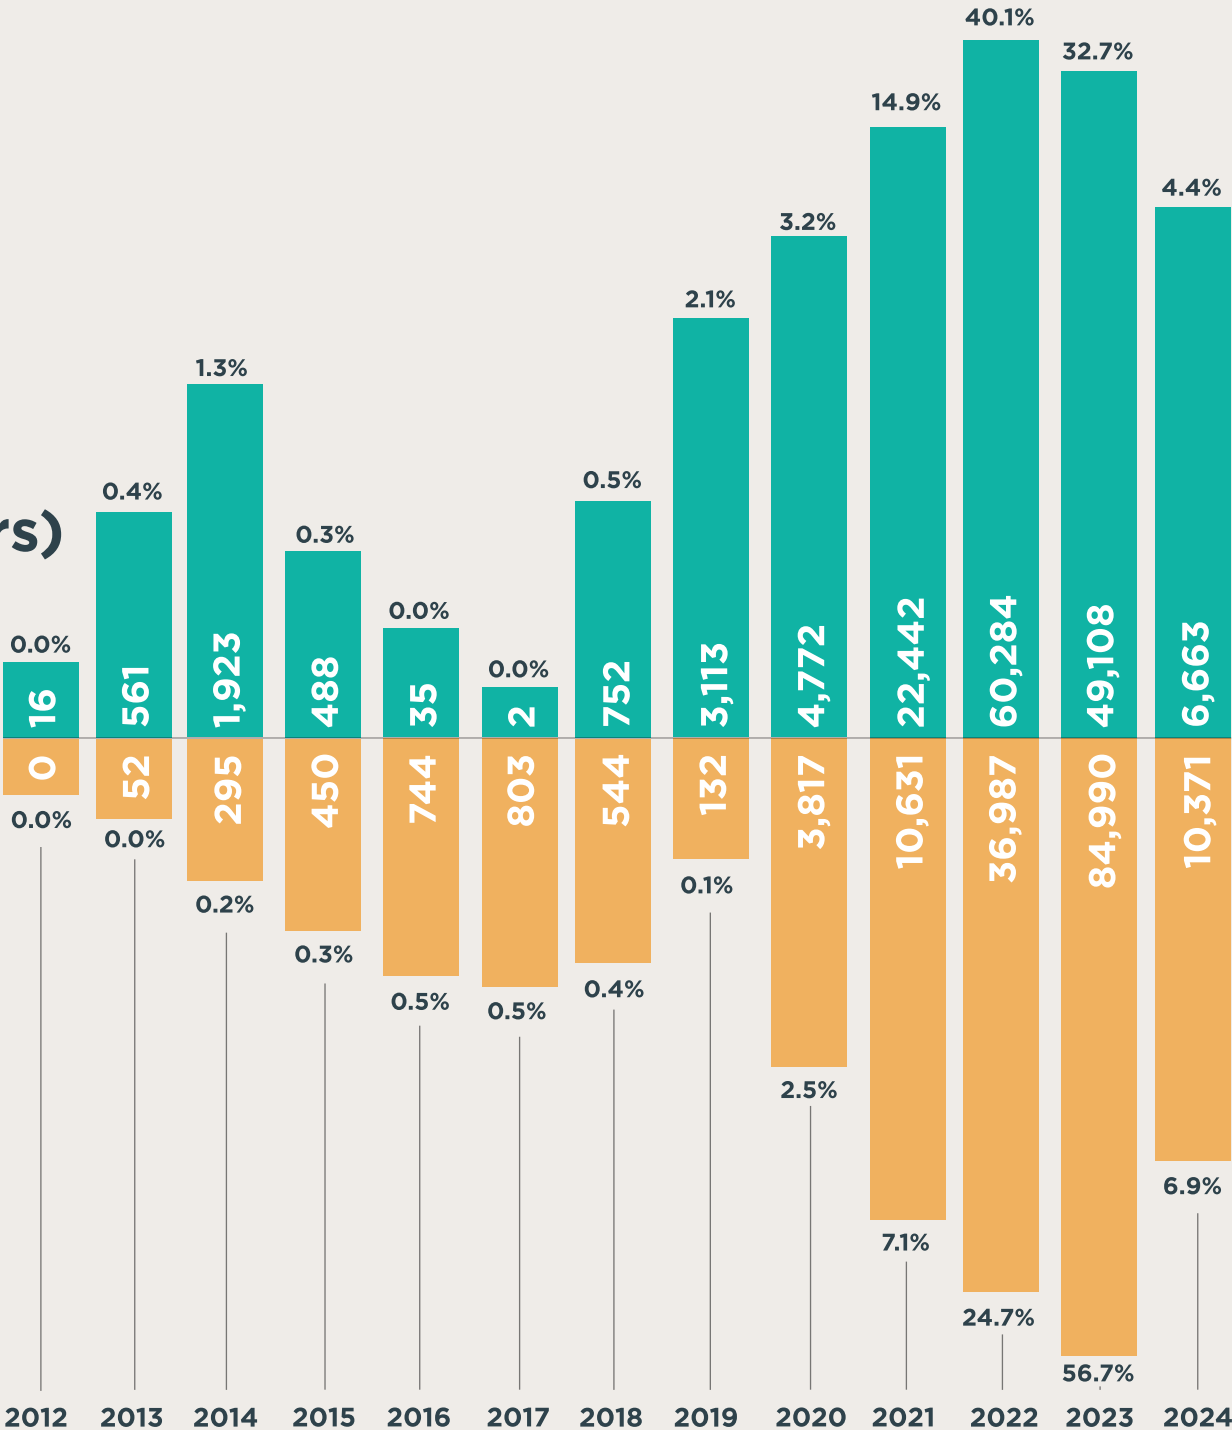

149,816

There may be a slight decrease or increase, compared to the previous statistics, in the number of adjudicated applications due to the files closed in case of an inadmissibility decision on administrative grounds and reopened upon the acceptance of the challenge to the inadmissibility decision, or the joinder or severance of the pending cases.

Pending applications

343

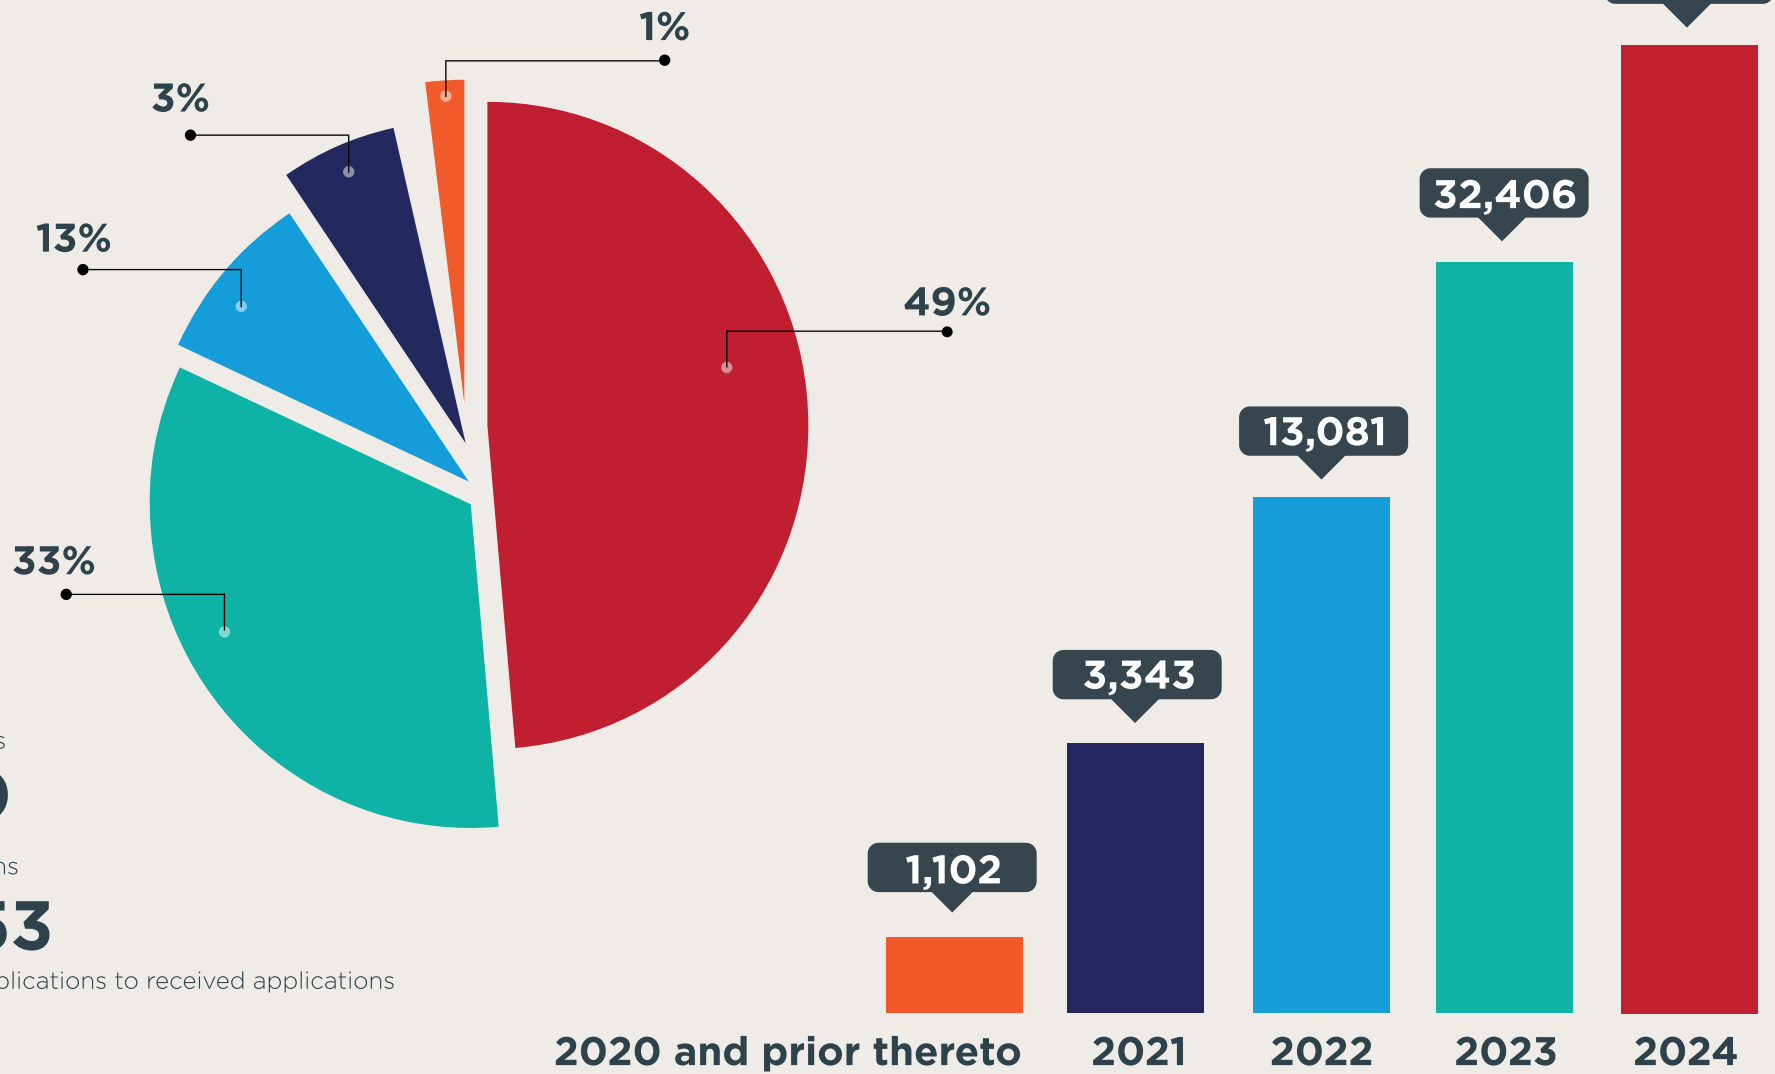

Received applications Adjudicated applications

Pending individual applications

Number of individual applications by 31 December 2024, which have been pending from the previous year .

Pending applications

98,540

Received applications

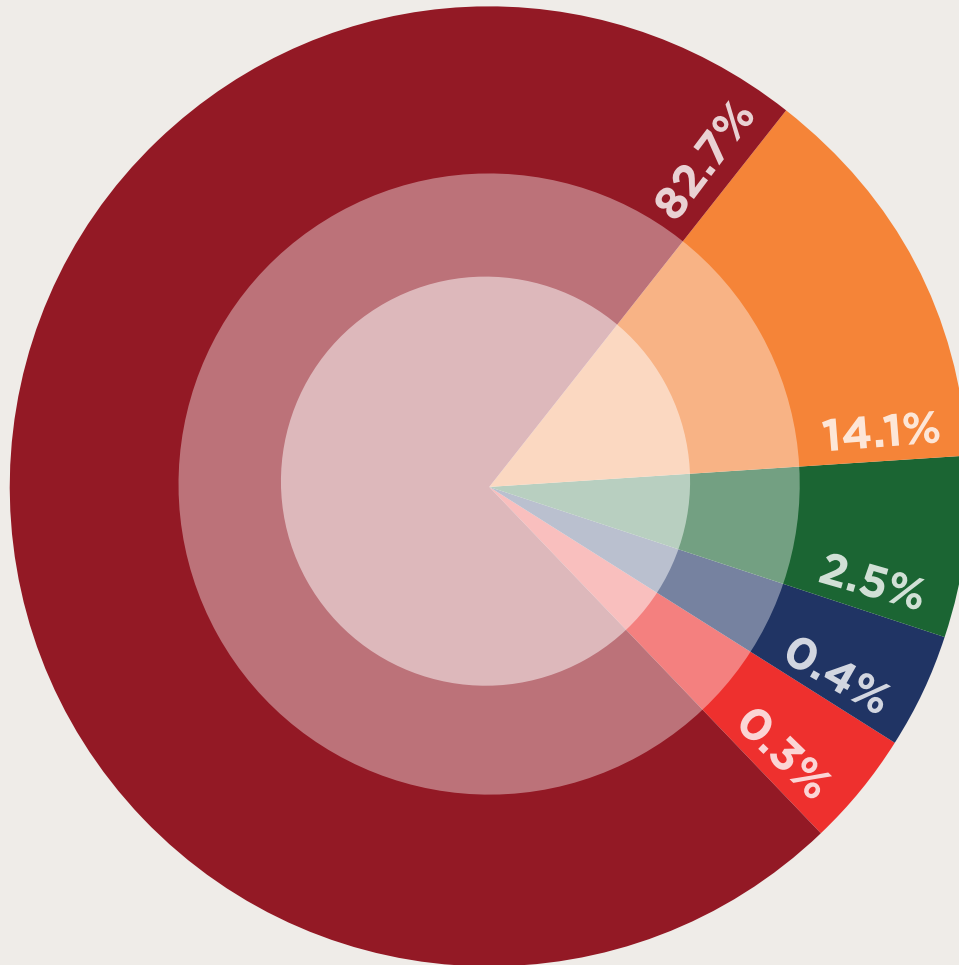

650,453

Ratio of pending applications to received applications

15.1%

Adjudicated applications by judgment type

Inadmissibility

456,476

Violation of at least one right

78,003

Number of cases where a violation was found is 8,446; and number of joinder of applications is 69,557.

Rejection on administrative grounds

13,750

There may be a slight decrease or increase, compared to the previous statistics, in the number of adjudicated applications due to the files closed in case of an inadmissibility decision on administrative grounds and reopened upon the acceptance of the challenge to the inadmissibility decision, or the joinder or severance of the pending cases.

Other

2,180

Strike-out, closure of the cases, and dismissal decisions

Non-violation

1,504

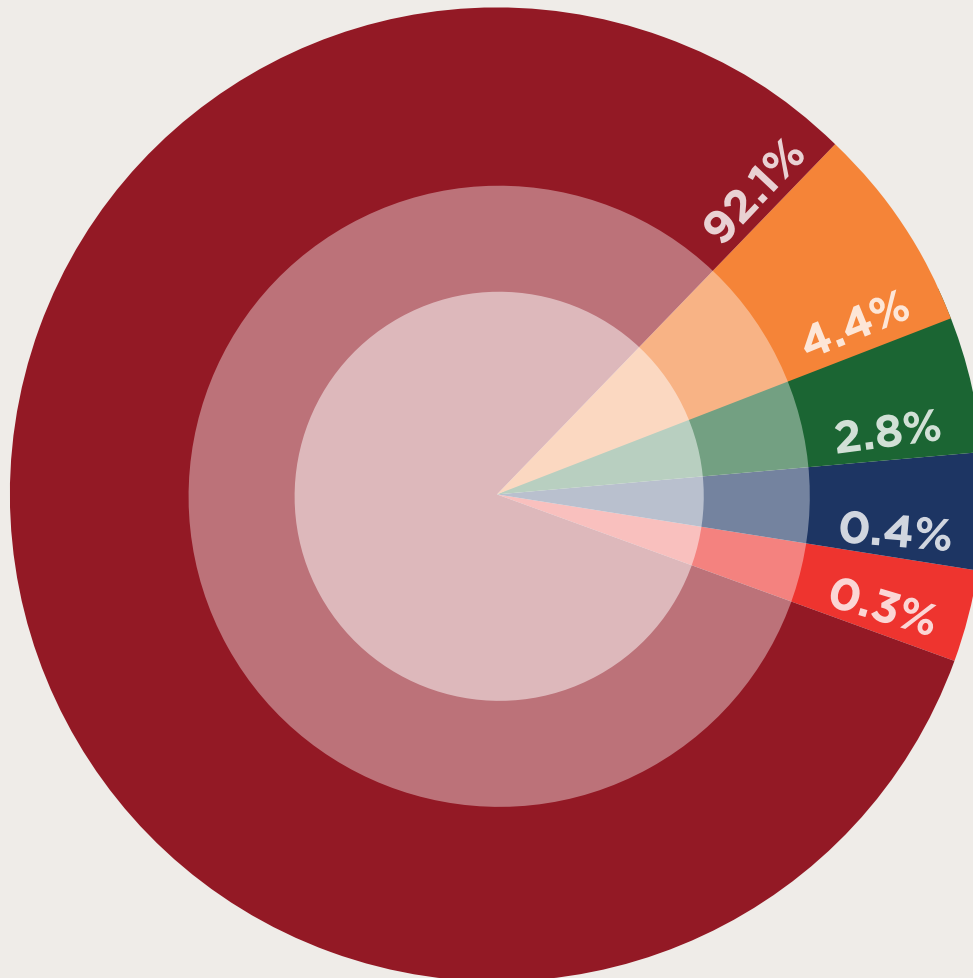

Number of cases found admissible but involving no violation is 1,009; and number of joinder of applications is 495.

Total
551,913

Adjudicated applications by judgment type

Excluding the applications regarding the right to a trial within a reasonable time.

Inadmissibility

456,476

Violation of at least one right

21,560

Number of cases where a violation was found is 5,334; and number of joinder of applications is 16,226.

Rejection on administrative grounds

13,750

There may be a slight decrease or increase, compared to the previous statistics, in the number of adjudicated applications due to the files closed in case of an inadmissibility decision on administrative grounds and reopened upon the acceptance of the challenge to the inadmissibility decision, or the joinder or severance of the pending cases.

Other

2,180

Strike-out, closure of the cases, and dismissal decisions

Non-violation

1,504

Number of cases found admissible but involving no violation is 1,009; and number of joinder of applications is 495.

Total
495,470

Ratio of violation judgments

Based on the adjudicated cases

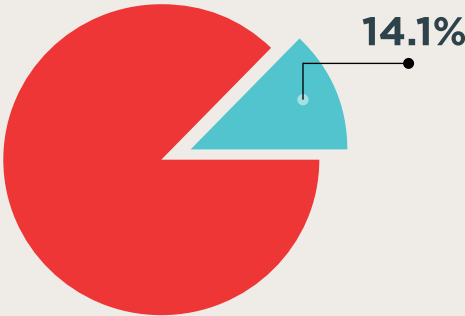

Including cases regarding the right to a trial within a reasonable time and the joined applications.

Adjudicated applications

551,913

Judgments finding a violation

78,003

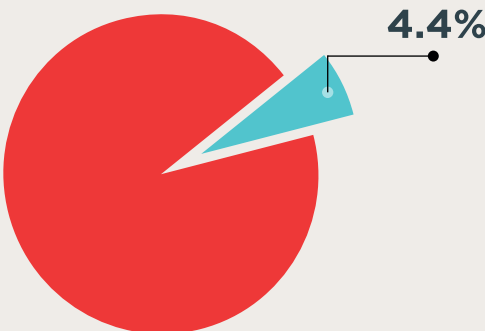

Excluding cases regarding the right to a trial within a reasonable time; but **including** the joined applications.

Adjudicated applications

495,470

Judgments finding a violation

21,560

Based on the cases examined on the merits

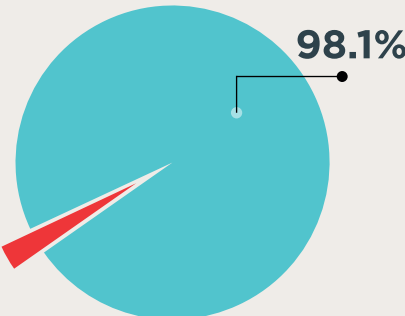

Including cases regarding the right to a trial within a reasonable time and the joined applications.

Applications examined on the merits

79,507

Judgments finding a violation

78,003

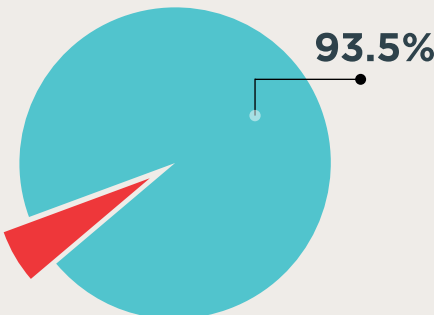

Excluding cases regarding the right to a trial within a reasonable time; but **including** the joined applications.

Applications examined on the merits

23,064

Judgments finding a violation

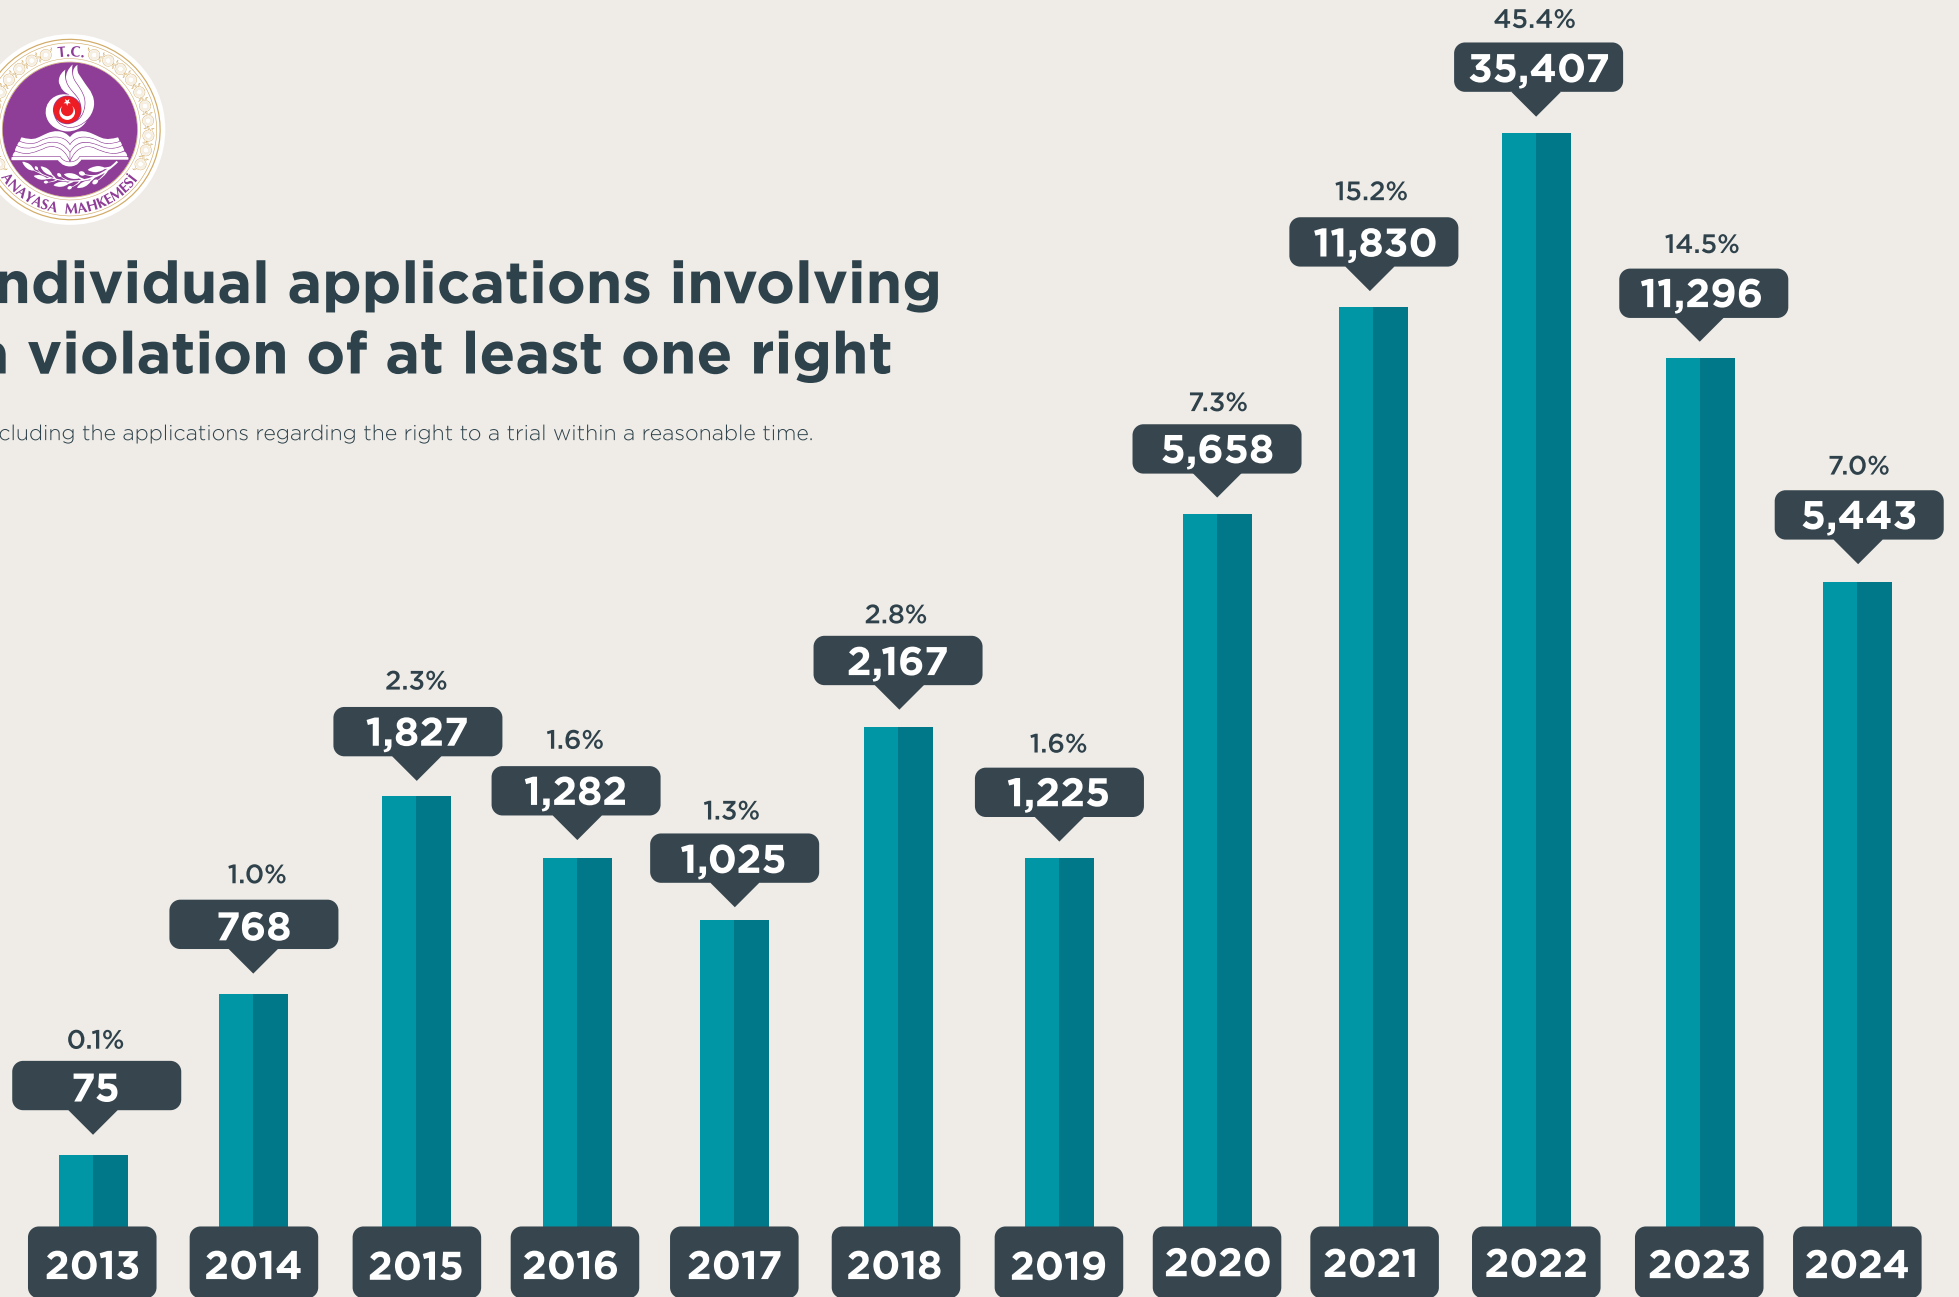

21,560

Individual applications involving a violation of at least one right

Including the applications regarding the right to a trial within a reasonable time.

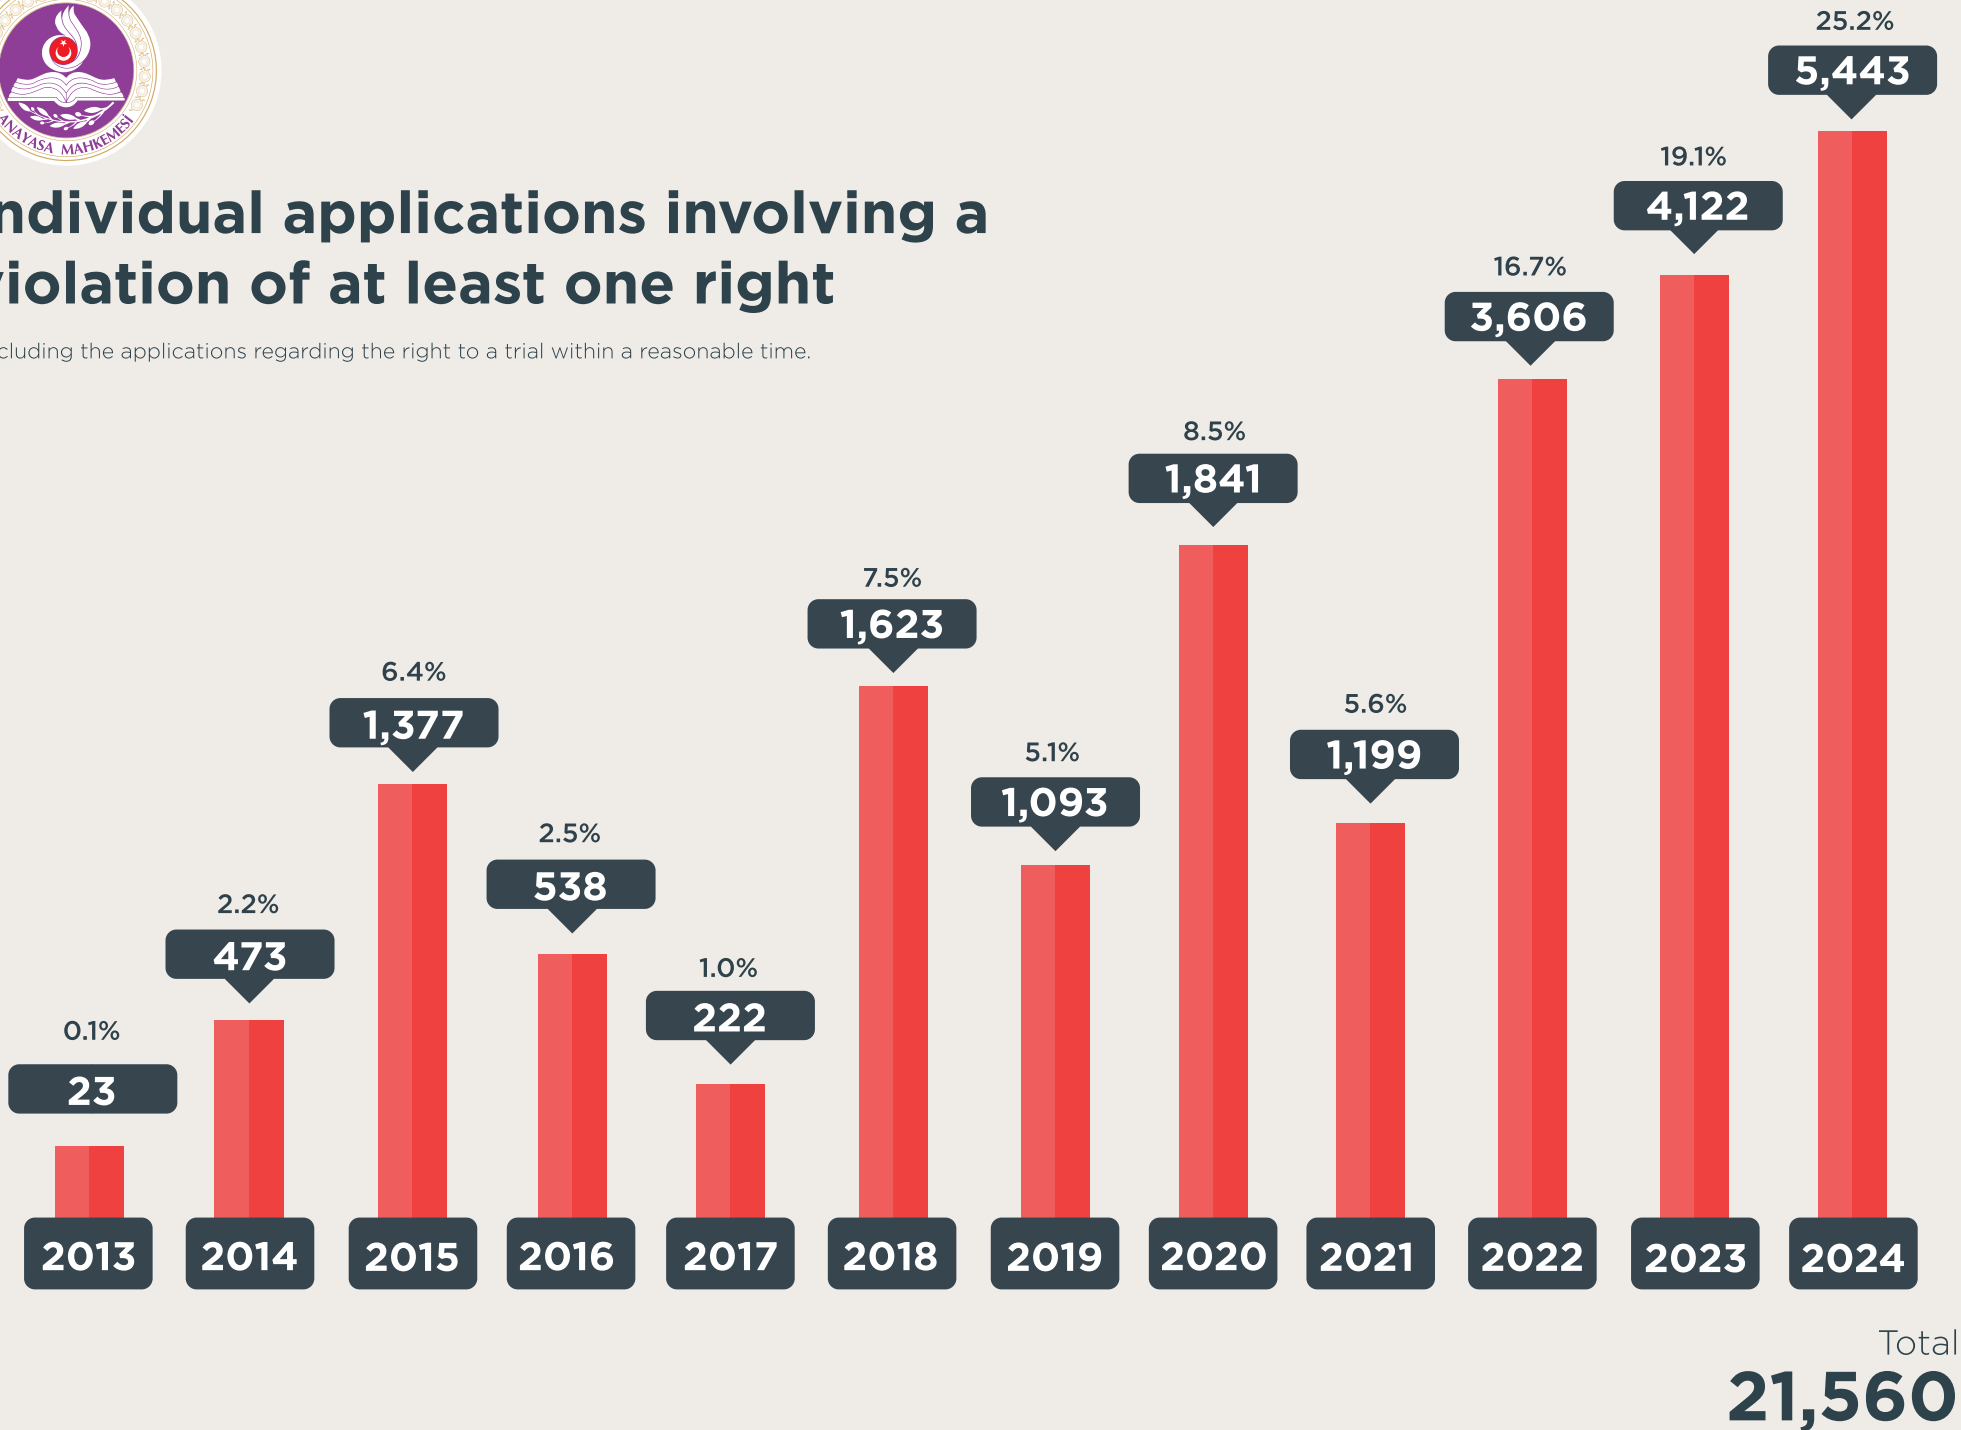

Total
78,003

Individual applications involving a violation of at least one right

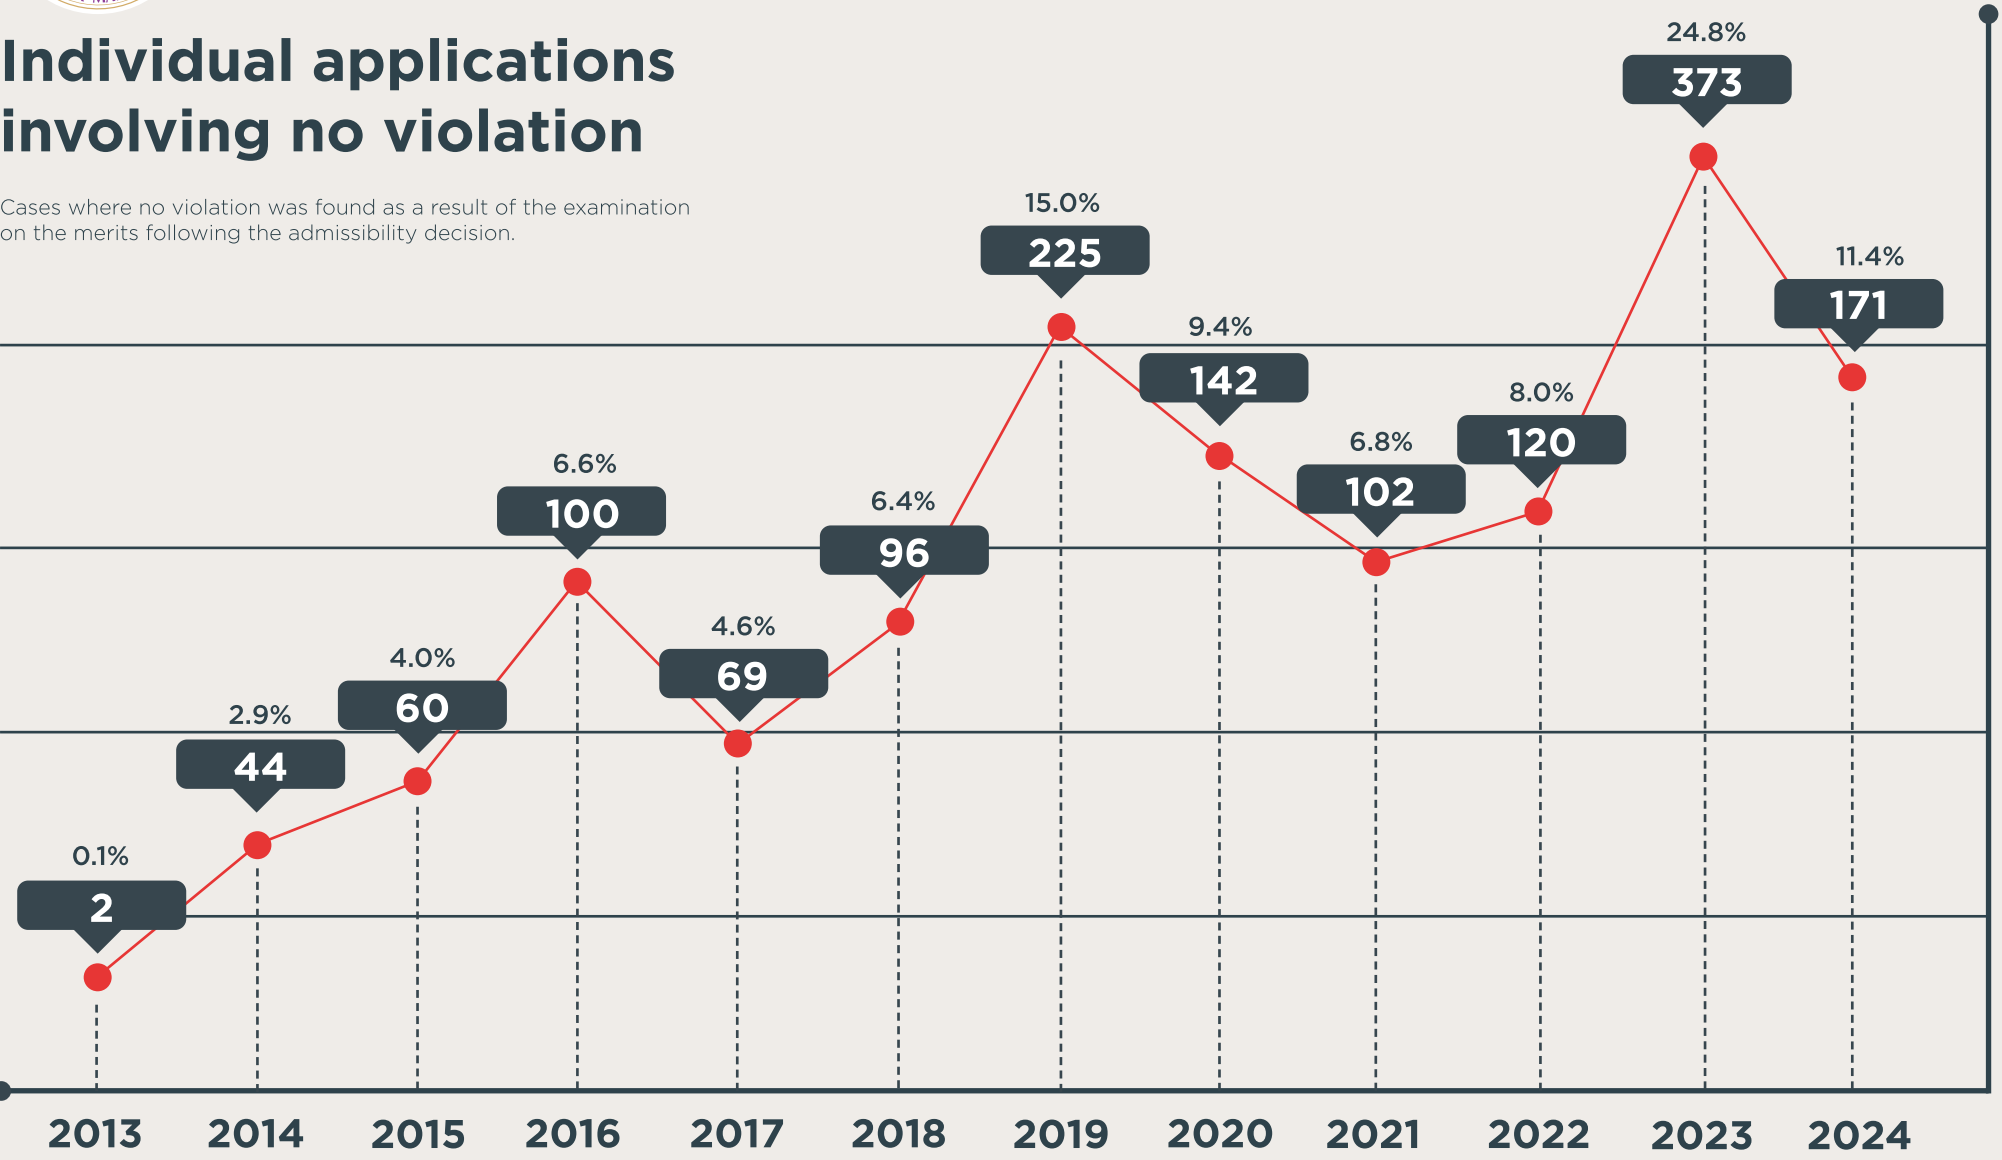

Excluding the applications regarding the right to a trial within a reasonable time.

Individual applications involving no violation

Cases where no violation was found as a result of the examination on the merits following the admissibility decision.

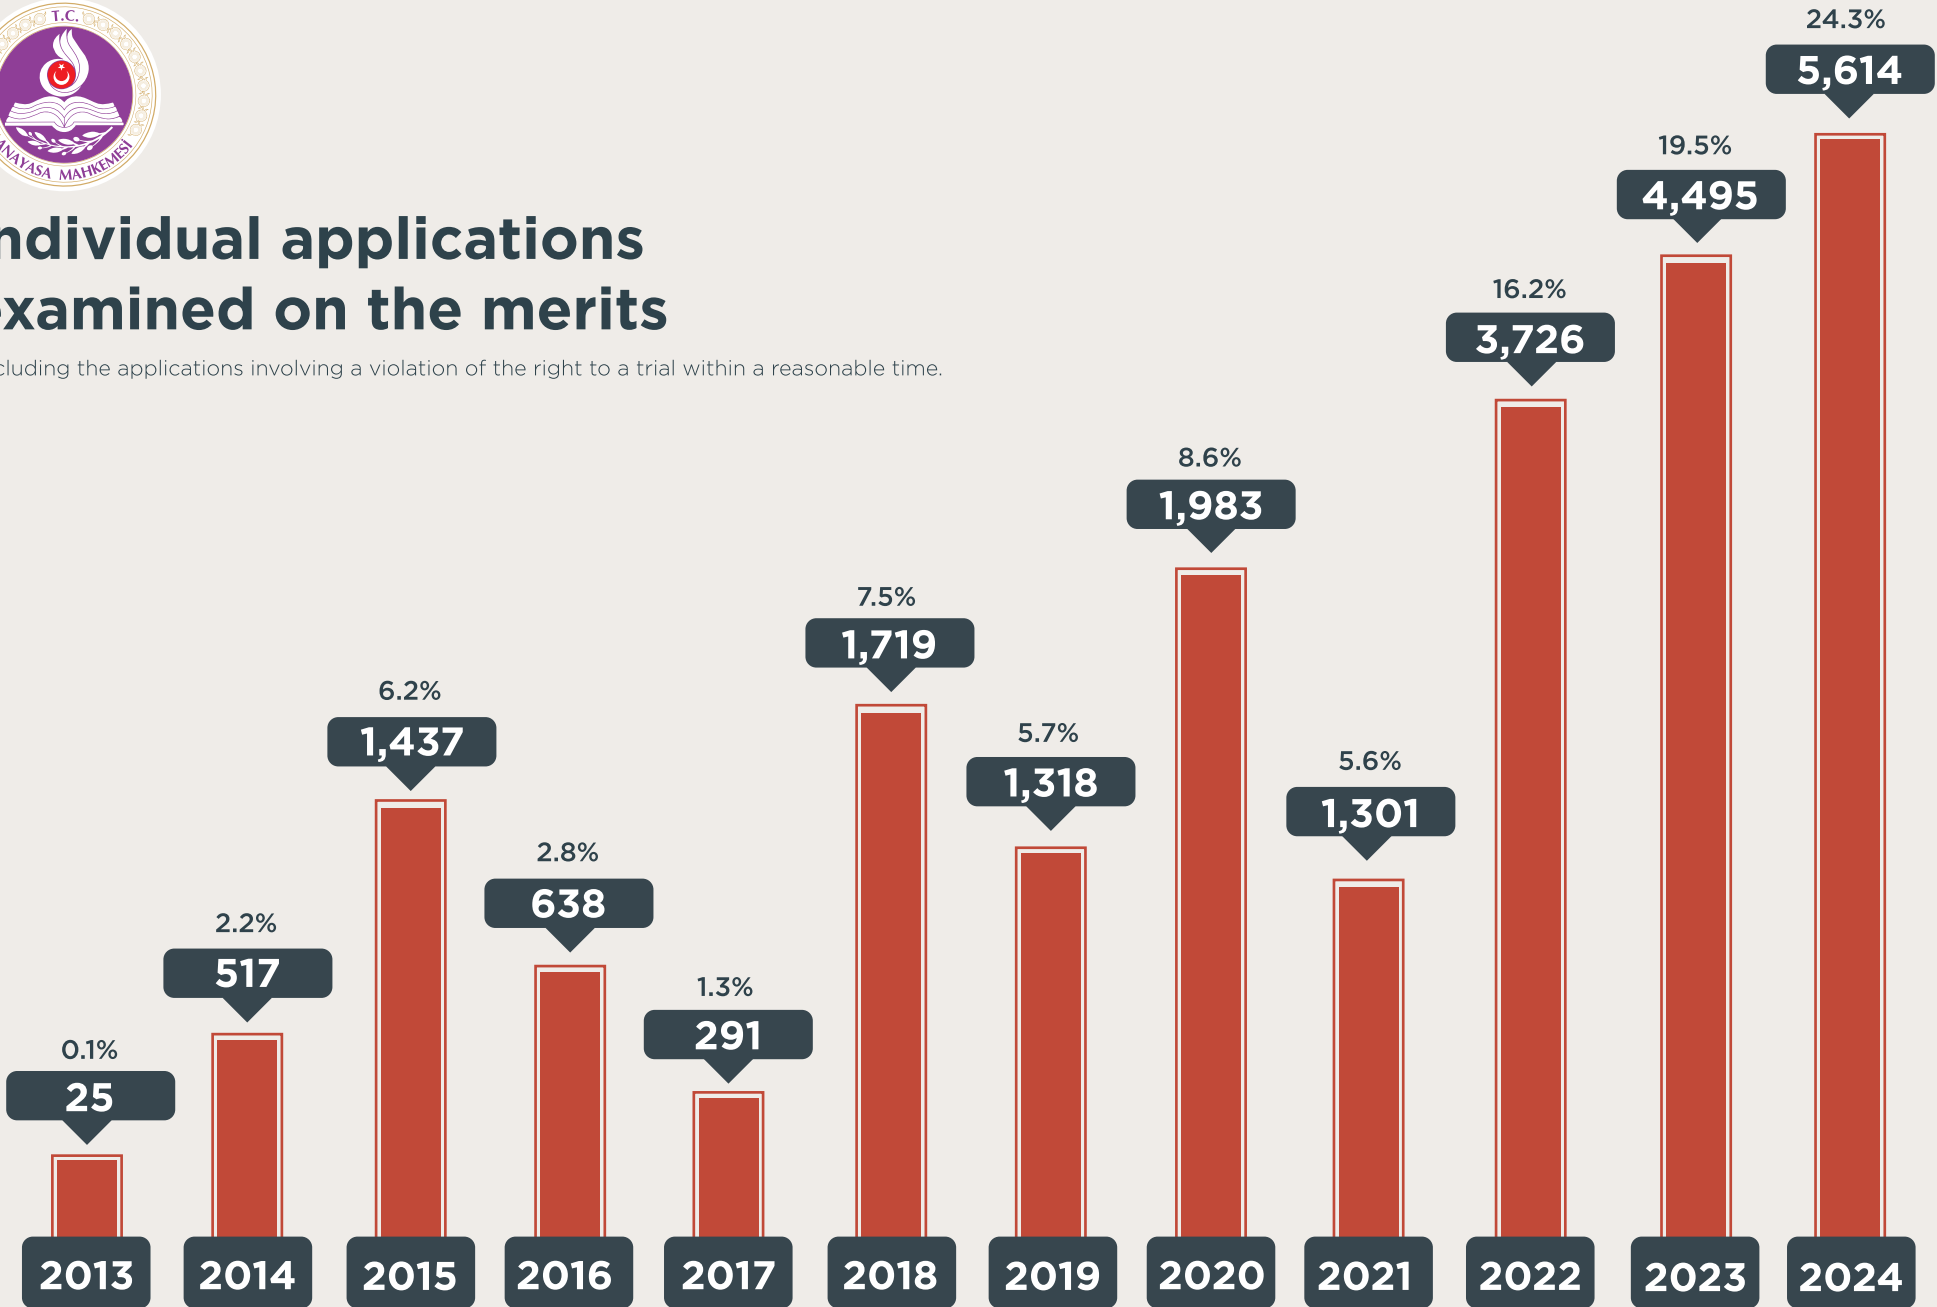

Total
1,504

Individual applications examined on the merits

Excluding the applications involving a violation of the right to a trial within a reasonable time.

Total
23,064

Judgments finding a violation by rights and freedoms

An application may involve violations of several rights.
